## MRS. BERT ROEMER TO REVIEW MASTERPIECE

The resurrection body was explained last Sunday night by Father John Clarence Petrie speaking before the Belle Glade Episcopalians at the home of W. D. Matthews.

Christians do not believe in the ancient Hebrew notion of resurrection, said the vicar; nor yet in the Platonic notion of a pure spiritual survival. Following St. Paul, the Church teaches that we shall have bodies in the resurrection life just as the ascended Christ has a body. But it is a body that has been transformed—a spiritual rather than a physical body.

Next Sunday night at 8 p.m. the group will meet at the home of Mr. and Mrs. Bert Roemer, S. D. Ave. D. to hear Mrs. Roemer give a review of C. S. Lewis's masterpiece, "The Screwtape Letters," which has sold several hundred thousand copies. Lewis, an Oxford don, was converted from agnosticism in his forties and is now looked upon by many as the spiritual successor in England of the late G. K. Chesterton.

## CHURCHES OF CHRIST SCIENTIST

"ARE SIN, DISEASE, AND DEATH REAL?" is the subject of the Lesson-Sermon to be read in all Churches of Christ, Scientist next Sunday.

One of the passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy bearing directly on this question is: "All reality is in God and His creation, harmonious and eternal. Therefore the only reality of sin, sickness, or death is the awful fact that unrealities seem real to human, erring belief, until God strips off their disguise" (p. 472).

Among correlative selections from the Bible is the following from Habakkuk (1:12): "Art thou not from everlasting, O Lord my God, mine Holy One? we shall not die. O Lord, thou hast ordained them for judgment; and, O mighty God, thou hast established them for correction."

The Golden Text is from Proverbs (12:28): "In the way of

righteousness is life; and in the pathway thereof there is no death."

## DR. WILLIAMS WILL SPEAK TO BAPTISTS

Dr. J. T. Williams of Lakeland, returned missionary from China, will speak at the morning and evening services at the First Baptist Church.

"There will be a clinic held at the church, for all workers in vocation Bible School on the lakeside, April 14, from 9:00 a.m. to 2 p.m. Trained workers will assist in the school."

Baptist Palm Lake Association will hold a meeting April 16, from 10 a.m. to 2 p.m. at the Northwood Baptist Church, West Palm Beach.

## CIRCLES OF BAPTIST HOLD REGULAR MEET

Mrs. Ellis Wilkinson was in charge of the program when the Gladys Smith Circle met at the home of Mrs. R. E. Hollingsworth Tuesday night.

Mrs. Wilkinson gave an interesting talk on "Our Neighbor

Mexico," and used a poster to illustrate the topic. She also gave Mexican hats to those present.

Mrs. Marvin Unwin, president announced that the circle would be in charge of refreshments for the general meeting.

Others attending were: Mrs. E. G. Davis, Mrs. Eddie Schoepel, Mrs. Roy Litchfield, Mrs. J. H. Chambliss, Mrs. Bill Thibault, Mrs. Franklin Kelly, Mrs. Elmer Oakins, Mrs. Clyde Parrish, Mrs. Rudolph McMillan, Mrs. Junius Harris, Miss Letha Stacy, Mrs. Jack Whitlock, Mrs. J. W. Raoul and Mrs. Francis

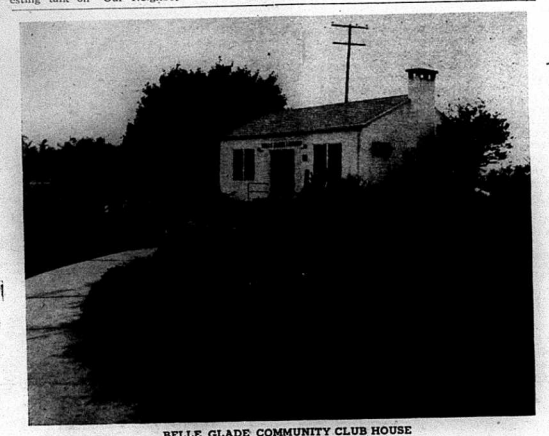

Outline for the INTERNATIONAL SUNDAY SCHOOL LESSON, For April 12, 1953

Lesson Title — "Paul's Conversion At Damascus" Scripture — Acts 22: 3-16

Introduction: Today begins a new series on the life of Jesus with the Apostle Paul. This is fitting in the light of the fact that we closed our study of the life of Jesus with His Command to "Go into all the world"; Paul, more than anyone else, does just this.

Outline: I. Paul the Jew — Acts 22:3. II. Paul, the Persecutor — Acts 22: 4-5. III. Paul's Conversion — Acts 22: 6-11. IV. Paul and Ananias — Acts 22: 12-16. V. Paul's Vision in Jerusalem — Acts 22: 17-21.

Conclusion: I. God uses even the "Wrath of Men" to fulfill His purpose. II. The Conversion of Paul is the beginning of the Gospel for the Gentiles, thus it is of paramount importance to us.

## THIS WEEK'S SERMONETTE

### WHY DID JESUS DIE?

By REV. W. F. SCHOECH  
St. Peter's Lutheran Church

For more than 1900 years the eyes of the Christian world have been focused on the Cross of Christ. What was the purpose of that cross? Why did Jesus die?

Men have given many answers to that question. Many of them have missed the mark by far. But what did Christ and His apostles have to say about the purpose of His death? Plenty!

Just listen to these Bible statements: Christ died for our sins — 1 Cor. 15, 3. "Who His own self bore our sins in His body on the cross — 1 Pet. 2, 24.

"God commendeth His love toward us in that while we were yet sinners, Christ died for us" — Rom. 5, 8.

"Christ also hath once suffered for sins, the just for the unjust" — 1 Pet. 3, 18.

"For when we were yet without strength, in due time Christ died for the ungodly" — Rom. 5, 6.

"God was in Christ, reconciling the world unto himself, not imputing their trespasses unto them" — 2 Cor. 5, 19.

"Christ hath redeemed us from the curse of the law, being made a curse for us" — Gal. 3, 13.

"The blood of Jesus Christ his Son cleanseth

us from all sin" — 1 John 1, 7.

This is how John the Baptist explained the death of Christ when he said, pointing to Christ, "Behold the Lamb of God that taketh away the sin of the world."

But long before that the meaning of the cross of Christ had been explained. Isaiah, who lived 700 years before the first Good Friday, wrote, "Surely he hath borne our griefs, and carried our sorrows . . . he was wounded for our transgressions, he was bruised for our iniquities; the chastisement of our peace was upon him; and with his stripes we are healed."

In other words, when Jesus died on the cross He was suffering the punishment and removing the guilt of all the sins of all the world. He died substitutionally — for us. "Christ died for our sins, according to the Scriptures," says St. Paul.

Whether you realize it or not, it was for you that Christ died. You were "reconciled to God by the death of His Son." Salvation is now yours — full, free, and final. "For God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life" — John 3, 16.

That is why Jesus died!

Harris. Mrs. G. K. Hutchins was a visitor.

"Mexican Missions" was the program at the meeting of the Ila Darden Circle at the home of Mrs. Mills Byrom Tuesday morning.

The program opened with a song, Woman's Hymns; devotionals, Mrs. W. L. Cunningham, prayer, Mrs. Rena Hankins; Our Neighbor—Mexico, Mrs. C. T. Pennington; "People of Mexico, Mrs. Paul Davis; Victor, Mrs. Sam Burns; Women of Mexico, Mrs. Mills Byrom; phases of Mexican work, Mrs. Lester Clark; Conclusion and prayer, Mrs. W. E. Schlechter.

At the business session Mrs. W. S. Cross and Mrs. Nell Reu-

ter gave reports on visits to the hospital and the schedule for flowers and fruit for the month of April.

Plans were also made to visit homes and give invitation to Sunday school classes.

Announcements and plans were made for those attending the Palm Lake Associational meeting to be held at the North Wood Baptist Church in West Palm Beach, April 16.

It was announced that a party for the sixtieth anniversary of Florida would take place at the church Thursday, April 30.

Mrs. G. I. Evans, Mrs. T. E. Strickland and Betty Pennington, also attended the meeting.

# Development Of County Closely Linked With 10 Year History Of R. D. Board

The Palm Beach County Resources Development Board was formed in 1943 under the sponsorship of the West Palm Beach Chamber of Commerce, under the leadership of its then president, J. J. Cater, and E. E. Stump, manager. Mr. Carter became the first president of the new organization and aided

by other public spirited citizens, devoted a great deal of time, energy and money to getting the organization properly functioning. The organization was financed in the initial year by a county millage levy, but in 1944 with the discontinuance of tax support civic leaders from all over the county feeling the need of a county-wide institution, rolled up their sleeves and financed the organization through membership subscriptions. The initial year saw financing of the organization in the amount of approximately \$20,000.

**Purpose Of Its Formation**  
The organization was in answer to a long felt need of bringing the business, civic, agricultural interests of the county into a united group, and for the purpose of intelligently prosecuting the development of resources of all parts of Palm Beach County without discrimination or prejudice.

At the time of the formation of the Resources Board the people of the western part of the county were outspokenly right or wrongfully, in the belief that West Palm Beach was not interested in the welfare and development of the outlying communities. This was manifest in the amount of trade which they were diverting to Miami, Fort Lauderdale and elsewhere. There was heard upon the street corners of our western municipalities definite proposals for the division of the

The truck firm I represent doesn't insist on it—but every jack-man of us always takes the tests given by the State Department of Education's mobile driver testing laboratory. This laboratory on wheels—maybe you've seen it—acts around the State of Florida about once a year.

Captain Jimmy Allen, who is State Coordinator of Commercial Driver Training, is in charge of this laboratory and some of the tests, believe me, are plenty tough.

Some of the boys are kind of tense when they visit the laboratory for the first time because if you think about it, professional truck-driving days are over.

Here are some of the things that Florida truck drivers are periodically tested for: color discrimination, visual acuity, depth perception, vertical and lateral inhibition, visual reaction, color perception, visual speed and accuracy, foot and hand reaction time, side distance, night vision, glare resistance and endurance. That sounds awfully technical but

it all adds up to highway safety.

In addition to these tests, we truck drivers must have a complete physical examination once a year. All of us carry doctors' cards which show we have successfully passed the physical exams and most of us carry Certificates of Achievement from the testing laboratory.

So you can see for yourself that truck driving isn't the kind of a job to people as it is thought to be. We are trained thoroughly to drive defensively—or "drive ahead of ourselves." The dopes and the chumps don't last very long in this mobile testing laboratory.

This mobile testing laboratory was donated by the Florida Trucking Association, an organization that is really on the ball all the time. The laboratory results in better trained drivers which, in turn, means safer highways.

On a side note, it looks like an accident is up ahead. Here's where my rugged first aid training comes in handy until the ambulance arrives.

Published monthly factual membership bulletin.

Sponsored Ramie and Kenaf fiber production—Everglades.

One of sponsors of Aerovias Q Airline from Havana to West Palm Beach.

One of sponsors of reactivation of Palm Beach International Airport, West Palm Beach.

It is difficult to measure in detail all of the many items which have added up to the bringing of millions of dollars in to Palm Beach County in the past few years. We do know that the institution is recognized not only state-wide but in other parts of the nation as a conservative, sound, factual and research center covering Palm Beach County and environs. We have developed good will in neighboring counties by spearheading movements in which all have a common interest and benefit, particularly mercantile firms in the County sell through expansion of their territory.

**RDB—What It's Done**

We are setting forth below first, a few of the many projects which we have cooperated or which we have directly spearheaded to success. Second, a few of the industries which have been located in the county directly or indirectly through our efforts and third, on estimate of payrolls and capital investments which have come through the Resources Board's efforts. We might add that communities from all parts of the county and individuals in various parts of the county call upon us constantly to aid them in movements, projects and objectives which publicize the county, add new capital and citizens make for better living in the county, and in toto are putting Palm Beach County in the forefront of Florida counties, so that potential new comers to Florida, be they investors, would-be permanent citizens, or tourists feel they must give this area a careful scrutiny.

Unity of effort, strength of numbers and sacrifice of many community leaders working together have and are making this possible: —

Spearheaded \$200 million dollar Flood Control program.

Spearheaded County and State-wide Beach Erosion program.

Sponsored Wild Life Fish and Game Preserve in Conservation Area No. 1.

Spearheaded opening and maintenance of Jupiter Inlet.

Sponsored growth of rice—Glades.

World War II Electronic Tube Manufacturer — West Palm Beach.

American Chlorophyll Co. — Lake Worth.

Co-sponsor of the great Live Stock Auction Market—Glades.

Three million dollar Retirement Village at Jupiter.

Cooperated in development of Africa U S A at Boca Raton.

At present moment the Industrial Division of RDB is in direct and close negotiations with approximately 15 prospects, some of which have officials here now.

Industries brought into the county to date by the Resources Board with the cooperation of other agencies, State and local, increased year round payrolls approximately four million dollars annually adding approximately 1800 new jobs. The total dollar investments in our county will amount to many, many millions of dollars as are reflected in recent years by recordings filed in our County Court House and also in the construction and development.

# VEGETABLE INSPECTION

(Continued from Page 1)  
"government inspection."  
Generally the crew of inspectors come into the Glades around November 1st and stay until June 1st, when they go on to the northern part of Florida, and on into Georgia, Carolina and even up to New York State.

Spring potatoes this season has made up somewhat for the loss of cabbage shipments.

Mr. Phelan came to the Glades in '41, and has served this area since that time.

As the tone of an organization is indicated by the thinking of its "Boss," we quote below from M. W. Baker, Deputy Director of the Fruit and Vegetable Branch, USDA in a talk recently to the Florida inspectors:

"I have always believed that the strength of our inspection service was predicated upon the manner in which our work was conducted in the field. In the final analysis, those of us in the Washington office are largely dependent upon the ability and integrity of our field force. Over the years our force has made a remarkable record. Those of you who have worked with us

over the past 20 years can well recall the problems faced, and I believe recognize the remarkable progress we have made. No person can fail to gain in moral and mental strength in our service, providing that person follows instructions, and conducts himself in the proper manner.

When an individual assumes such responsibilities he immediately puts himself in a position that must command respect, as well as compliance with his instructions. Those of us in the Washington office should be parked to meet grade requirements.

"Honesty in judgment from those in grade interpretation seldom weakens the regard of the people whom we serve. The inspectors who have conducted themselves properly have left an indelible stamp of approval of our operations throughout the length and breadth of our country, as well as establishing precedents upon which similar work is now being carried on in many foreign countries."

"Certificates issued based upon inspection made on the items covered therein are prima facie evidence in all Federal courts and many State courts.

They are the foundation upon which our present day methods of trading in these commodities are established."

### EVERGLADE VOCATIONAL CERTIFICATE OF HONOR

An article written by Francis Saitell and Ethel Williams in the Christmas edition of the Everglades Vocational H Review, entitled "Our Town's Needs in the War On TB," has brought to Palm Beach a Certificate of Honor from the National TB headquarters.

The only other award for the county was won by the Belle Glade High School paper on an article with the same title.

According to reports there are very few of these awards in the State and Belle Glade is honored with two, one from the white school and this one from the only Glades Negro High School.

### RITTER NEWS

Christ Mission Sunday School was organized Sunday at Ritter Camp by Rev. Wm. E. Taylor, assistant pastor at New Bethel Baptist Church, Belle Glade, Florida.

There were twenty-eight present and the organization was completed with selection of officers. The lesson was an Easter lesson beautifully taught by Rev. and Mrs. Wm. E. Taylor.

The night services were well attended and the singing was glorious. The men and women sang like angels. Rev. Taylor delivered a soul stirring message to the group. These services will continue each Sunday that God's word will be given the people of Ritter and neighboring places.

Rev. Taylor is grateful to the school, the management, and all the people who are helping to make this mission program a success. You are welcome to worship with Christ Mission each Sunday and join with us in singing and praising God from whom all blessings flow.

Each week this column will carry church, school and community news. Three students will distribute the Belle Glade

Sherry Knight, "Little Miss Belle Glade" with her attendants, Karen Kimball, left, and Susan Schoepel, right.

### SHERRY KNIGHT AWARDED TITLE

Out of thirty-seven girls from two to six years old, Sherry Knight four year old daughter of Mr. and Mrs. S. M. Knight, was chosen "Little Miss Belle Glade," in a contest sponsored by the Future Home Makers of America, at the high school auditorium.

Sherry was crowned queen and presented a gold loving cup by Barbara Wedgworth, FHA president. Karen Kimball, daughter of Mr. and Mrs. A. Kimball, and Susan Schoepel, daughter of Mr. and Mrs. Eddie Schoepel were chosen as attendants. Pat Tatam who sang, "Oh You Beautiful Doll," presented nosegays to the winners. Other contestants were: Elaine Register, Barbara Blum, Barbara Joy Royal, Shelley Ray Hights, Michelle Lee, Dian Cromartie, Catia Broughton, Herb Holston, Brenda Webster,

### EAST LAKE SCHOOL NEWS

Campus Highlights  
On Wednesday, April 1, Miss Edna Gavin, teacher of second grade "B" division presented an interesting Easter Assembly program. Everyone present observed the true meaning of Easter. The story of Easter was told by Mrs. C. C. Fenson. A pantomime, "The Old Rugged Cross" by Grade 2-B. Various classes participated rendering songs and choral reading groups. The stage settings were very colorful and tied in beautifully with the season.

Teachers and pupils have returned from the holidays filled with much enthusiasm and ready to work harder to complete the school term. If you should come to our school you would see everyone in action.

We are now getting ready for our biggest activity of the year which is the Annual Spring Revue. This revue is sponsored by the entire school. A money-raising activity in order to help secure many essential items of equipment, etc. for our children which the county do not provide. Other activities have been sponsored during the year and our parents have been asked to contribute to help add funds to our small school budget.

### Kampus Kapers ???

That's the show of the year. See college life as it is on the campus. Dancing by such Kampus Kapers as Bernice Childers, Joyce Wright, Willie Edw. Spivey and many others together with such Kampus Kapers as Elliott Washington, Harry Lee Jones, and M. C. McKelton. It will be something to rave about when you see Mary Lee and James Richardson, a sister-brother dance team. Don't miss it - you'll enjoy it - you won't forget it. Tickets are now on sale - Children - 40c; Adult - 75c; Patron - \$1.00. ### MOTHER OF 4 KILLED IN HIGHWAY ACCIDENT

Bernice Florence, negro age 35, of Lake Harbor was killed in a highway accident between Lake Harbor and Clewiston at 1 o'clock Friday afternoon. The accident was on SR No. 80 about a mile west of Lake Harbor. In some manner she lost control of the car on an easy curve, the car struck a pine tree and plunged into the canal. Her four children who were in the car were pulled to safety by passers-by. Only one of the four, Delores, was injured. She was hospitalized at the Clewiston Hospital with a lacerated hip.

The father, Willet Florence was at work in a field, summoned and took the children home after first aid at the Clewiston Hospital. The family lived in the Bishop's home two miles west of Lake Harbor. The body which was recovered from where it was wedged between the rear of the car and the bumper, was taken to the Taylor Funeral Home.

Trooper J. P. Bertrand, who investigated the accident, could assign no reason for the accident unless she was traveling too fast and attempted to pass a car on the curve.
